NISSAN सुरक्षा PACKAGE FOR NISSAN MAGNITE & NISSAN KICKS

Nissan सुरक्षा package is designed to offer complete peace of mind, with exemplary standards of care towards your Nissan car. It is the most economical and convenient way to ensure that your Nissan gets the service it deserves and to help avoid expensive repairs. You can be assured that professional quality maintenance (using proper diagnostic tools, Genuine Nissan Parts and technical expertise) is provided for your vehicle thus ensuring optimal driving performance and comfort.

In the long run, a well-maintained vehicle typically earns a better vehicle resale value as well.

PACKAGE BENEFITS & OFFERS

Convenience

Cashless repairs across NEPAL Authorised NISSAN Network.

Nissan Trained Technician

Because they know your Nissan best, they can spot potential problems during regular maintenance that others might miss.

Genuine Nissan Parts

Always use Nissan Genuine Parts for Your Nissan Vehicle as they come along with Built in reliability & Warranty of 3 Year / 30000 KMS.

Enhanced Resale Value

Properly maintained vehicles typically earn higher resale value.

Transferable

Pre-Paid Maintenance Programme is transferable to the one buying your vehicle, thus helps improve resale value.

Price Protection

Pre-payment of maintenance ensures that you are protected from future parts and service price increases. Thus secures from any inflation in prices.

Affordable Flexibility

With variety of time and Kms options and a range of service plans, you can choose the plan that suits your individual needs.

DISCOUNT

- up to 10% discount for Body shop parts & labor
- For 4th & 5th year Gold and silver package buyer, discount will be 30% in labour charge when above 50k cost price purchase on spare parts during major repair.
